

Kitchen Porter

We are proud to be a food business; we love food and we think food is important – how it's sourced, how it's made and how it looks and tastes.

We couldn't do anything without our family of colleagues working together to create long lasting positive memories for our customer. We are proud of our difference and are constantly striving to do it better. We work with people who really care about food and where it comes from and want to share this experience with our customers.

Surrounded by dramatic Cumbrian fells and set on the edge of both the Lake District and Yorkshire Dales, our Hotel lies just off the M6 at Tebay Services. Our cosy rooms are inspired by the landscape around us and are decorated using some of the best local craftsmanship. In our Restaurant and Lounge we serve delicious dishes made using local ingredients and beef and lamb from our own family farm.

What we're looking for

Do you share our passion for good food and service and want to be part of a great team? Ideally you would have worked in a similar environment, but if you share our passion for good food and enjoy interacting with customers we will help you learn the rest. We recruit people who share our values.

We are looking for someone to work in our Kitchen as a team member to provide key support to our chefs and the restaurant team in the smooth running of our kitchen and restaurant service. It would also be an excellent opportunity for those looking to start their career in a kitchen and we offer good development opportunities for those who wish to progress.

You should be self-motivated, reliable and able to work as part of a team. The ability to thrive in a busy environment combined with a methodical approach is essential.

This is a permanent, full time position working 37.25 hours per week, 5 shifts over 7 days, to start the middle of July 2019.
