

Stores and Stock Controller

Support Services

Located between junctions 11 and 12 of the M74, around 30 miles south of Glasgow, Cairn Lodge Motorway Services opened in 1993 operating as a successful independently run family business until joining the Westmorland family in late 2014.

We have recently developed Cairn Lodge Services, based on its larger cousin around two hours' drive south and as part of the redevelopment we are opened a larger Shop stocking locally sourced food and gifts.

We are looking for a stock controller to join the team. As the stock controller you will be ordering stock and ensuring it is booked in correctly as well as ensuring the stock room is maintained.

Hours: 37.5 hours per week over 5 days. This is a temporary position due to end in September 2019.

Pay: £8.90 per hour.

The Westmorland Family has a fantastic package of benefits for staff which include:

- Free car parking
- Free meal allowance while on shift as well as free tea and coffee.
- Up to 25% - 75% discount on most items in our cafes and shops as well as discounts off events, exhibitions and cinema screenings at the Rheged Centre.
- 28 days holiday (pro rata'd for part time employees)
- Contributory pension scheme after completion of your probationary period
- 30 days of company sick pay after completion of one years' service
