

# Weekend Catering Team Leader

Located between junctions 11 and 12 of the M74, around 30 miles south of Glasgow, Cairn Lodge Motorway Services opened in 1993 operating as a successful independently run family business until joining the Westmorland family in late 2014.

We have recently developed Cairn Lodge Services, based on its larger cousin around two hours' drive south and as part of the redevelopment we are opened a larger Shop stocking locally sourced food and gifts.

We are looking for a Team Leader to join the team in our newly redeveloped Café. Taking charge of the shift, you will ensure that our customers receive a great experience when they come and visit us, that high standards are maintained and that all company procedures are followed.

Previous catering experience and the ability to lead a team is essential.

Hours: 15.5 per week, working weekends.

£9.70 per hour.
